The Morton County Soil Conservation District has established a scholarship opportunity for high school seniors and/or college students that are residents of Morton County, North Dakota. The applicant(s) must intend to or currently be pursuing a degree in an agricultural/natural resource management/environmental or related field at a two or four year accredited college or university. Multiple scholarships, each totaling up to \$500, may be awarded.

Interested applicants are required to complete the application form and compose an essay of no more than 500 words on **one** of the following topics chosen by the Morton County SCD. Applicants will need to maintain at least a 2.5 GPA and be a full time student. The scholarship award will be paid directly to the recipient after the Morton County SCD Board receives the previous semester transcript.

Applications and essays must be postmarked no later than **February 1st, 2019**. Essays will be judged by the Morton County SCD Board and staff and the winner will be notified no later than April 30th, 2019.

2019 Morton County SCD Scholarship Topics:

"How can the agriculture and conservation communities work together to achieve mutually beneficial goals?"

"What does sustainable agriculture mean to you and why?"

"Describe your philosophy on soil and water conservation."

"What are the positives/negatives to housing/business development in the Missouri River Corridor?"

Please mail the application and essay to:
